

**Hexham
trinity**
Methodist Church

**Sunday Worship
September to
December 2019**

Worshipping God as a community is at the heart of the Church. At Hexham Trinity it is the centre of the week. It is the time when we are able to come before God, to acknowledge how amazing God is, celebrate God's love, learn and pray together and be equipped by God and each other to live as followers of Jesus.

This leaflet tells you about the different services that are held each Sunday and through the week. You can find out more information on the Church website www.hexhamtrinity.org.uk

If you'd like to share in leading our worship maybe by being part of the Worship Group, reading the Bible, leading prayers, operating the sound desk, video projectors or helping with all age worship please contact the Church Office who will be delighted to hear from you!

Worship at Hexham Trinity

Worship at Hexham Trinity seeks to balance both the importance of regularly gathering together as a Christian Family and the fact that we can and sometimes prefer to worship God in a variety of different ways.

At **10:30am** each Sunday we gather as a family for '**Worship for All**' which aims to be accessible and inclusive. There are times for everyone to worship together and for children and young people to be part of Trinity's Sunday Club. The music is led by a worship group and we hope the teaching helps to deepen everyones faith.

At **4pm** on two Sundays of the month there are opportunities to gather for different styles of worship:

- 1st Sunday - Listening to God which takes places in the Prayer Chapel at Trinity. Listening to God is a space for shared silence. Led by members of the group there is a short introduction to a half hour's silence followed by a time of sharing if people would like to.
- 4th Sunday - Mission Prayer Tea which takes place in the Creche Room at Trinity. Mission Tea is a group which meets to pray for those serving Christ abroad. They centre on a specific global area each month, and add specific urgent needs from mission organisations who send us information.

At **6pm** on Sunday we worship with West End Methodist Church for a more quiet and reflective service where music is led by the organ. From time to time we offer different types of learning and worship experiences in this service. When there is a 5th Sunday we normally hold a Healing Service. On the 1st, 3rd and 5th Sundays of the month the 6pm services are at Trinity and on the 2nd and 4th Sundays at West End (next to Hexham Police Station).

On the 3rd Tuesday of each month at 7:30pm Closer takes place in the Small Hall at Trinity. Closer is a time to worship God in an informal setting, coming into, and spending time just being in God's presence. There is no other agenda, just time to bask in God's love, creating a space for God to speak.

A place for everyone to question, discover and explore the Christian faith, learning to live as followers of Jesus, so more people know of God's love.
